

The ARVC Foundation Giving Tree

It's not every day that those of us in the Outdoor Hospitality industry have the opportunity to be permanently recognized for our efforts. However, the ARVC Foundation has a program enabling each of us to achieve such recognition. You have an opportunity to become an **ARVC Foundation Giving Tree Donor**, and as the donor your name, or that of someone you would like to recognize, will be forever associated with the professional growth of our industry.

When you make a contribution, your gift will be recognized via a certificate signifying your level of support on the **ARVC Foundation Giving Tree**, a beautiful wood sculpture, with engraved leaves of bronze and copper, boulders and rocks surrounding the base, which will be permanently displayed at the **arvc** office. Each donor's plaque can be engraved to honor your park, an individual or a significant accomplishment.

With your generous support, together we can help our members and our industry grow for generations to come.

Leaf Donors:
