

Park Registration Form for Tents for Troops

All Tents for Troops parks must offer a minimum of two sites for two nights. You may restrict holiday weekends, special events or festival weeks if you so choose. Reservations are always required. If your park is full you are not required to provide sites. The program is 100% voluntary and you may exit this program any time you like. Please check all amenities you have so we can make your listing as complete as possible. If you have special features not on our check list or special attraction nearby please list them in the space provided. You may call me any time at 360-274-7915 with any questions or email me at greatrvresort@aol.com. Thank you! -- *Charlie Curry*
