Evergreen USA Grants \$3,000 of Scholarships to The National School of RV Park & Campground Management in 2010

Lewiston, ME, February 3, 2010 – In 2010, ten (10) scholarships were granted by Evergreen USA RRG, Inc. for attendance at The National School of RV Park & Campground Management. The \$300 scholarships were awarded to individuals in the states of Michigan, Maryland, California, Florida, Tennessee, Pennsylvania and North Carolina. These ten students will be attending the school at the Oglebay Resort from February 16-21.

Each year Evergreen awards scholarships to campgrounds, RV parks, and resorts wishing to attend The National School of RV Park & Campground Management. Evergreen understands that education is essential to the future of the camping industry and that providing scholarships to the school will help the camping industry in the long run. Evergreen will continue to provide these scholarships to their clients to help improve the camping industry.

About Evergreen USA – Evergreen USA was formed in 1989 and is an insurance company that is owned and directed by members of the camping industry. Evergreen provides long-term stable insurance solutions for campgrounds, RV parks, and resorts throughout the United States. For more information contact Evergreen at 1-800-343-7900 or www.evergreenusa.com

About The National School of RV Park & Campground Management - The National School of RV Park & Campground Management enhances the skills of its students through a high-quality educational program focusing on business management principles and practices as applied to the RV park and campground industry. For more information contact Cheryl Smith the Director of Education at (303) 681-0401 or www.campgroundschoool.org.
